Meeting hosted by	HTL St. Pölten
Minute written by	Switzerland

Date / Place / Time	Activities / Results / Points of importance
WORKING DAY	
Monday March 28th 2022	
Hotel Graf 8:30 – 9:00	In the morning, most of us ate breakfast at the hotel.
9:00 – 9:10	At 9am we all went to school together.
HTL / 9:10 – 11:00	The first hour was at noon when each country gave a presentation and mentioned what they had done since the last meeting and what they still had to do and where they had or still have problems.
HTL / 11:00 – 12:30	Afterwards we discussed the price of the press rolls as they were more expensive than many thought. Then Austria showed us the 3D model of the Penny Press Machine and showed us possible improvements or corrections.
HTL / 12:30 – 13:30	After the discussions it was already lunch time.
HTL / 13:30 - 16:00	After lunch Austria told us more about the school and gave us a guided tour.
HTL / 16:00 – 17:00	Afterwards we created 6 groups. 1. circuit board / 2. Raspberry Pi /Aduino / 3. assembly (At) / 4. assembly (DE) / 5. 3D-Print 6. documentation Each country decided which student would go to which group.
HTL / 17:00 – 17:20	At the end we discussed the further steps and summarized what we will do within the next days. Everyone could then go back to the hotel and do what they wanted.
