<p>CULTURE DAY Thursday 31st March 2022</p>	
08:30	<p>Start the Culture Day We went by bus to Vienna for visit the Vienna Museum of Science and Technology</p>
09:45	<p>Free time to view: Historical objects enter into dialogue with innovative technologies in our multi-faceted exhibitions. With interactive experiences and exciting tours and programs our objects come to live while our puzzle hunt encourages an active and engaging museum visit.</p>
11:15	<p>High-Voltage Demonstration This impressive show takes you on a trip through the world of electrical charges and currents. We generate current with extremely high voltage and conduct astonishing experiments: Light bulbs glow without a power cable and metre-long lightning bolts flash freely across our safety cage.</p>
12:00	<p>By bus to Vienna City Free time for lunch</p>
14:00	<p>Guided City Tour on foot and by bus to see the most famous monuments of Vienna</p>
16:00	<p>Visit the “Wiener Prater” Adventure, tradition, and Viennese charm at once - no other place radiates so much energy and joie de vivre as the Vienna Prater.</p> <p>A fascinating world awaits visitors and guarantees entertainment for both young and old. Full of turbulent roller coasters, spooky ghost trains and attractions of all sorts - there is hardly any other place in the world to challenge your senses in this intoxicating way. Time flies here while spend a few pleasurable hours with your family, enjoying the Prater highlights or just having dinner with friends. Have fun and enjoy – this is the Prater's motto!</p> <p>Unfortunately, the weather wasn't nice to really experience the “Prater”.</p>
19:00	<p>Back to St. Pölten</p>
