

MINUTE OF MEETING DAY

FIRST PROJECT MEETING IN LUXEMBOURG

EUROPEAN CNC-NETWORK -

PENNY PRESS MACHINE FOR EUROPE

Meeting Description	Second Meeting in Barcelona
Meeting hosted by	Escola profesional salesians ,Barcelona ,Spain
Minute written by	[ID] Grimaldos Carla (ES)

Thursday, 05 TH March 2020	Activities / Results / Points of importance
<p>Good Morning Flashlight 9:30</p>	<ul style="list-style-type: none"> - In every workline there should be one boss (B) and someone who has to write the Daily Minute (M). - In the morning, we visited Leitat (in Terrassa, 20 km far from Barcelona), a Technological Center. We went there by bus and we were seeing some laboratories where people work to improve the environment with pieces that they made with no contaminating materials. Besides, they were showing a 3D machine and how it works (in the so-called 3D-hub, a project funded by the European Union and participated by Hewlett-Packard, where they develop new 3D printing techniques in different materials, and at the same time they simulate real production lines to help the companies to improve their processes and efficiency).
<p>12:00</p>	<ul style="list-style-type: none"> - We had lunch at “Santa Dorotea”
<p>Work Line A – Plenum BASE FRAME</p>	<ul style="list-style-type: none"> - We showed the final powerpoints about the design and we have been thinking about the homeworks that we have to do for the next meeting. In the Control Unit we talk about the thinks we need to buy: Raspberry PI 3B+, Touch Display 7 inch and Microsd.
<p>Work Line B – Plenum MECHANICS</p>	<ul style="list-style-type: none"> - The Gear group showed a prototype of the gear (with press unit and separation group). In the Coin Verify Unit we need to identify 3 type of coins, 5 cents, 20 rappen and 1 crown. In the Separation we need to decide what type of separation are going to use.
<p>Work Line C – Plenum MEDIA</p>	<ul style="list-style-type: none"> - In the Project corner we decide to put all the same information in all the schools. In the Video we talk about 2 types of info, one in the social medias whit funny pictures and videos, and the other one pictures in the website of the school whit more serious things. And in the Project Web we need to do a web for this project, one for school.
<p>WorkLine D – Plenum SUPPORT</p>	<ul style="list-style-type: none"> - We have been discussing about the definitive Logo, Heinz put a picture of all the Logos that we have on the wall and then everyone put a sticker on her favourite one and that’s how we chose our definitive Logo.

**Guided tour at Colour
Fountain Montjuic**

- Finally, we visited the Colour Fountain in Montjuic in the evening.
