Date / Place / Time	Activities / Results / Points of importance
<p>ARRIVAL DAY Sunday 17th November 2019</p> <p>Parc Hotel Alvisse 19:00</p>	<p>Opening & Diner</p> <p>After having left the accommodation at the Luxembourg Youth Hostel downtown Luxembourg and having taken the public transportation to the hotel, we all arrived in time and the meeting was ready to start.</p> <p>Jean-Jaques and Michel opened the evening by giving a warm welcome to all the participants before dinner started. Dinner was sponsored by the hosting school and implied a three-course buffet.</p> <p>After the first course, Martin and Heinz, the two German coordinators of the project also welcomed the group and gave a short outlook on the coming days and the following Monday including some organisational issues.</p> <p>The dinner ended at about half past nine which gave us enough time to take the bus back home downtown Luxembourg City. Whereas some members of the project decided to have a drink in the historic town centre, others chose to go to the Youth Hostel directly.</p> <p>All in all, one may say that this evening was a beautiful opening dinner and a perfect possibility to get into contact to all the new project partners.</p> <p>On behalf of the project family, we have to say “Thank you” to the hosting school in Luxembourg for sponsoring and to Jean-Jacques and Michel for organizing the welcome dinner!</p>
