Description of work progress: Topics / Tasks / Results / Decisions / Facts of importance	Responsible school(s) or person(s) incl. deadlines
<p>Introduce the new people of the group to the workgroup and reviewing the whole progress of the group, programmed and set up a Raspberry Pi as a prototype. The program should get the roles in the right position for the engraving. The Penny Press Machine should be working with a motor which gets an electrical signal. We also made a Powerpoint presentation for tomorrow.</p>
