Description of work progress: Topics / Tasks / Results / Decisions / Facts of importance	Responsible school(s) or person(s) incl. deadlines
<p>First we reviewed the Plenum session from yesterday and then we started to search the components we need for the penny press machine. We asked the ergonomics group what screen size we can use. We are going to use a 7" or a 10" display. After that we made the list. We also checked the prices but we didnt make it to finish the list.</p>
