<b>Description of work progress: Topics / Tasks / Results / Decisions / Facts of importance</b>	<b>Responsible school(s) or person(s) incl. deadlines</b>
<p>In this Work session we introduced the new Students in what we did in Luxembourg.</p> <p>Furthermore, we discussed the general shape and material of the lower Part. Our conclusion was, that we would put the lower part on top of a socket, so that the machine would be hart to tip over.</p>
