Description of work progress: Topics / Tasks / Results / Decisions / Facts of importance	Responsible school(s) or person(s) incl. deadlines
<p>Today we had our first “Plenum-session” in Spain.</p> <p>We presented the other groups our presentation about Monday and what we have done there. We talked about the fact that it is not the dimensions that matter, but we have to see how much space the mechanical parts need inside. We also talked about the materials we want to use for the upper part.</p>
