Description of work progress: Topics / Tasks / Results / Decisions / Facts of importance	Responsible school(s) or person(s) incl. deadlines
<p>Groupwork We again had a look at the homework until the next meeting. There we decided that the prototype will get assembled in Trondheim.</p> <p>Plenum Afterwards in the plenum we presented our homework to the other students. Also, we discussed about how we want to get the parts from the prototype to Trondheim. We came to the conclusion that each school should handle on their own.</p> <p>Questions to answer In the plenum we discussed about some questions we want to answer until the next meeting. Each member of our group should help to answer these questions.</p> <ul style="list-style-type: none"> • How we want to harden the rolls? • What comes first: harden or engrave?
