<b>Description of work progress: Topics / Tasks / Results / Decisions / Facts of importance</b>	<b>Responsible school(s) or person(s) incl. deadlines</b>
<p>15:30 - 16:30 Work line C-Media</p> <p>This was the first day of the second project meeting after our last meeting in Luxembourg.</p> <p>We started by looking at what we have been doing since the last meeting and until now, and we agreed that we could have done more to share this project in our schools.</p> <p>We concluded that all delegations should create their own individual project corners in their schools based on the opportunities available at the different schools.</p> <p>Finally, we want to create a project corner with pictures and video that presents the same information at all six schools, but this assumes that everyone has the equipment to do so.</p> <p>And finally, we prepared the presentation for Tuesday.</p>
