Description of work progress: Topics / Tasks / Results / Decisions / Facts of importance	Responsible school(s) or person(s) incl. deadlines
<p>We need a lock for the door on the lower part, and we might use our luggage for bringing the smallest parts of the machine to each meeting if it is possible. Depends of how heavy it is.</p> <p>We need the Prototype or a 3D model to move forwards with our work. To see what else we need to make secure, because we just know how the outside would be.</p>
