| <p>We have agreed to use door hinges and door locks. Supportblock that weights a bit, to make it harder to push over to burst\get damaged.</p> <p>We will check different types of door locks and test them for vandalization and destruction, report what we think of the outcome to each other until next meeting.</p> <p>We will also have one, if not more, meeting over Discord each month.</p> <p>NB: We need to speak with the Ergonomics in group A, next meeting. And the designgroup.</p> | <p>Until next meeting.</p> <p>Support block: End of June.</p> <p>Rebecca will design the support and send it to Paul, then he will make it on the program.</p> |
