<b>Description of work progress: Topics / Tasks / Results / Decisions / Facts of importance</b>	<b>Responsible school(s) or person(s) incl. deadlines</b>
<p>14:00 work line C- "media"            16:30 work line C plenum discussion            17:30 good evening flashlight            18:00 free time/ Individual dinner</p> <p>We were six (6) person in our group and we discussed a lot of different things about the project corner. Project corner is most antacid about the information how we start and how we can explain to the people and was a question about did we think to share our information for just for students in our school or for everyone and we were agree to share the first information for our students and open link for everyone who is interesting about the project can see everything what going on. We were also agreeing to have Picher on the link to show contents more clear.</p>
