Description of work progress: Topics / Tasks / Results / Decisions / Facts of importance	Responsible school(s) or person(s) incl. deadlines
<p>We were given a previously established survey which had to be adapted to the needs of the current project. However, not many changes had to be carried out. We added a few questions in order to clarify certain issues linked to this specific stay (project itself, accommodation, food, organization, cultural day, city tour etc.).</p>	<p>Survey to be adapted until 22nd November 2019</p>
