Description of work progress: Topics / Tasks / Results / Decisions / Facts of importance	Responsible school(s) or person(s) incl. deadlines
<p>We went through the Evaluation sheet from Lissabon and decided for each question if it was necessary or if we should change/skip it.</p> <p>We also came up with some new questions.</p> <p>Afterwards in the discussion we (everybody) went through the Evaluation sheet again and voted if questions should be skipped or changed. But we weren't able to get an result that everybody was happy with.</p>
